L'objectif de ce travail est de réaliser les deux pages précédentes. Vous proposerez une **maquette** de chaque page mettant en relief les différentes parties de la structure HTML ainsi que leurs maquettes **responsives** « *ci-dessous, un exemple de maquette conventionnelle* ».

*Exemple de maquette*

Le premier page représente la page des produits. La deuxième page, le contenu du panier. On effectue le passage de la première à la deuxième page en cliquant sur l'icône du panier.
